Dealing into various types of computer.

About Us

We hope that your last Financial Year must have given you a great experience with various changes and many new things coming up in the IT sector. Also last year we saw the Indian Industry getting serious about the Y2K Problems, making their own units industry in line with Enterprise Resources well planned and also the total Industry FREE from Piracy and many more things. We also at **RHYTHM ELECTRONICS** have experienced many changes.

First we came out with First Internet Ready PC with a Local Brand in Gujarat. Third and important change to happen with us was, we become "An Authorized Business Partner for HP & COMPAQ Range of PCs and Servers." Still going stronger with our First Alliance with WIPRO Peripherals for its Total printer range. Till date you and your good organization had been evaluating us for your PCs requirement. From this Financial Year we request you to register us for HP & COMPAQ Brands for your MNC Brand Machine requirements and GENIOUS PC for your other regular PC requirement.

We are Authorized Distributor for the Brand name as Under.

HP / SAMSUNG / INTEL / WIPRO / MERCURY / DAX

We would be thankful to you for granting our request for the same and provides us the needful help for promoting our range of products at your end. Looking forward to provide our best and Responsive services at our level best to you and your good organization for the long-term IT Relation.
