We are an esteemed trader and supplier of a comprehensive array of **Computer Peripherals & Accessories**. In addition to this, we are also involved in providing quick Installation and After Sale Services to our esteemed clients.

About Us

Established in the year **1989**, we, **RightSource** are engaged in trading and supplying **Computer Peripherals & Accessories**. Beside, we also render quick **Installation** and **After Sale Services** to our esteemed customers. These products are offered under the well-known brands of Transcend, Seagate and Samsung. All our products are extensively demanded by the clients for their high quality picture, compact designs, high storage, easy installation and minimum maintenance. Moreover, clients can avail our high-grade monitors that are known for their excellent power saving, super back light display and long service life. We are collaborated with some reputed vendors of the market in order to provide best quality products to our patrons. These vendors employ all the advanced technologies and methodologies to develop these products. Moreover, we have recruited a team of quality controllers to check the functionality of the products to prevent any chances of flaws. Apart from this, we are also supported by a spacious and advanced warehousing facility, which enable us to keep our acquired products with safety. All our operations are managed by our mentor, '**Mr. Mahesh H. Rohra**', who has detailed knowledge and immense experience in their respective domain. His commitment towards perfection has enabled us to achieve our business targets and goals. **Looking for the queries from Mumbai.**
