Risav Electronics

<https://www.indiamart.com/risavelectronics/>

Being a principal business name, The **Risav Electronics** is a distinguished enterprise engrossed in manufacturing an inclusive array of products including **SMPS Transformer, Choke Coil**

About Us

Founded in the year **2011**, **Risav Electronics** a one of the foremost companies highly immersed in manufacturing and Supply. an inclusive compilation of **SMPS (Switch Mode Power Supply) Transformer, Choke Coil, Drum Core Inductor, LED Transformer, Rod Core Inductor, Toroidal Transformers** and **Linearity Coil**. The presented products are made up using optimum-quality raw material and futuristic technology under the stern supervision of trained professionals. The raw material which we use to design these products is acquired from the most specialized and trustworthy vendors of the industry. As well, these are reviewed on a number of aspects before shipping at the locations of our patrons. Broadly recognized for their uses in several industrial purposes, offered products are enormously in demand. We are assisted by a well facilitated infrastructural unit and a skilled team of professionals which assists us in catering to the assorted necessities of our customers in a précised way. Segregated into several subdivisions which include production unit, research & development unit, warehousing & packing, quality control unit, marketing and sales unit, we are able to work in an efficient and hassle free manner. To add, all our subdivisions are led by deft and trained individuals who are well familiar with the understanding and knowledge of their respective arena. Beneath the command and direction of our...
