R.K.Electronix

<https://www.indiamart.com/rkelectronix/>

Our company is the prominent supplier, distributor and trader of Port Switch, Networking Router, Network Adapter, Video Splitter, Security Camera, Print Server, WiFi Access Point, Electronic Switch, Cloud Router and many more.

About Us

We started our business in the year **1996** as a sole proprietorship based company engaged in **supplying, trading and distributing** a huge range of **Port Switch, Networking Router, Network Adapter, Video Splitter, Security Camera, Print Server, Wifi Access Point, Electronic Switch, Cloud Router, Wireless Home Gateway** and many more products. These products we procured from the reliable merchants of the market. We are performing well in the market under the able guidance of **Mr. N. Hitesh Kumar Jain**. Our company is doing business of Rs. 10 - 25 Crore every year by offering best quality products. **R.K. Electronix** has an efficient and capable team of 11 to 25 people who work hard to meet the targeted goal of the company. Our team work in coordination and with passion to complete the huge market demands in speculative time period. The strict quality evidence approach followed by our experts is one of the reasons of our quality standard products and as well as success of our company in the market. Not only quality, but also our sound infrastructure, standard warehousing unit, smart team work and timely delivery of products are the most important factors, which leads us to a position in the threshold of new success stories. Thus, we have come forth as a reputed supplier, distributor and trader company conquering markets. Our newfangled infrastructure supports us to manufacture a latest quality range of products as per industry norms...
