## About Us

Integrated in the year **2009**, in **Nagpur (Maharashtra, India)**, we “**R. K. Enterprises**” are the reckoned **manufacturer** and **supplier** of supreme quality **Fly Ash Brick Machines, Hydraulic Accessories** and **Hydraulic Machines**. These products are highly demanded in the market for their features such as durability, easy to operate, sturdy construction, optimum performance, long service life. Under the visionary guidance of our mentor, “**Mr. Amrit Singh**”, we have been able to fulfill all the requirements of our esteemed customer. His domain-specific experience and sharp business acumen helps us to place our organization at the heights of success. The offered products are manufactured using latest techniques and superior quality raw material in compliance with set industrial norms. Our offered product range is checked on different quality parameters by our quality controllers assuring their flawlessness at client's end. In addition to this, our customer can also avail **Fabrication & Engineering Works** from us.

We have a well-equipped infrastructural set up that spreads over a large area of land. This infrastructure includes procurement, production, manufacturing, quality-control, research & development, warehousing & packaging, etc. Our infrastructure unit helps us in fulfilling urgent requirements of customer within time. The infrastructure unit is well-installed with latest tools,...
