We are a wholesaler and exporter of all types of metal buttons, buckles, eyelets, rivets, studs, and metal garment accessories, button fixing machines and dies for snaps etc.

## About Us

Established in Mumbai in the year 1989, Royal Traders is one of the leading names in the industry that specializes in **manufacturing** and **wholesale** of garment accessories. Be it **buttons, buckles or eyelets**, our catalogue is never ending.

With the aim of serving our trusted clients to the fullest, our warehouse is loaded with products. Whatever might be the demand, we are always ready to deliver the same and that too on time.

Moreover, in the field of quality, we remain true to ourselves and thus do not allow any of our trusted clients to raise a single grievance against our product quality and standards.

Our products, irrespective of their popularity in the market, are thoroughly crossed checked as per the prevailing market standards and hence score high in terms of quality parameters.

We welcome our clients, from every corner of India, to avail our services.
