R. R. Brush Works

<https://www.indiamart.com/rrbrushworks/>

We are one of the prominent manufacturers of a wide assortment of Industrial and Household Brushes. Our range of products is known for being durable, light in weight, hard wearing and washable.

About Us

Established in the year **1976**, "**R.R. Brush Works**" is counted amongst noted manufacturers and suppliers of **Industrial and Household Brushes**. Our range include **Industrial Brush, Cleaning Brush, Tube Cleaning Brush, Brass Circular Brush, MS Strip Brush etc.** All of our products are made using premium quality raw material like wire, P P, animal's hair, nylon, brass, M.S. wire, S.S and other raw materials. Designed to perfection, these products are durable, simple, maintenance free, versatile and easy to use. In order to attain the utmost customer satisfaction, we have developed these premium quality products as per the requirements and specifications of the clients. Owing to our team of diligent and adept professionals, we are able to understand the specific requirements of our clients. They put in their best show to cater to the ever changing and increasing demands of our clients. Moreover, we are supported by our in-house quality control department, R & D wing and manufacturing unit. Our organization also facilitates our clients through multiple payment options including Cash, DD and Cheque. We are achieving new heights of success under the able guidance of our owner, '**Mr. R R. Jaiswal**' who has ample experience and knowledge to help us achieve our professional objectives. Under his able leadership, we have earned lots of goodwill and credibility in the market.
