

R.S.Enterprise

<https://www.indiamart.com/rsenterprise-surat/>

Since our commencement is in year **1988**, we, “**R.S. Enterprise**” are , engaged in **manufacturing, supplying, distributing** and **trading** a commendable range of Textile Chemical, Textile Silicone Softener, etc.

About Us

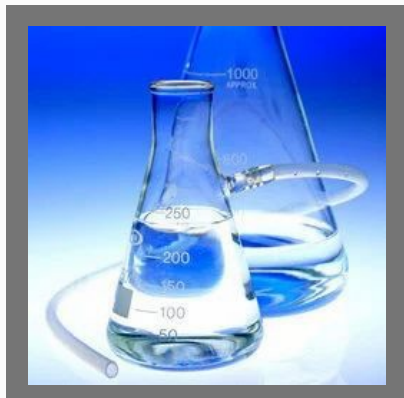

Established in the year **1988**, at **Surat (Gujarat, India)**, we “**RS Enterprise**” are acknowledged as the leading **manufacturer, trader, distributor** and **supplier** of excellent quality **Textile Chemical, Textile Silicone Softener, Textile Auxiliaries, Wetting Agent, Fabric Softener, Fabric Silicone Emulsion, Dispersing Agent Chemical, Bloom Enhancer**, etc. The offered chemicals are used widely in the textile and other industries. These chemicals are processed by our experienced professionals by making use of excellent quality basic chemicals in the most suitable environment. Further, these chemicals are highly appreciated for features like precise composition, high effectiveness, accurate pH value and long shelf life. As per the varied requirement of clients, these chemicals are available in different packaging options. In order to process these chemicals, our professionals use high grade basic chemical compounds. We are an authorised distributor of Wacker matroarc chemical pvt. ltd., overseas polymers pvt. ltd., Vinmar group etc.

To carry out effective chemical processing, we have developed an advanced chemical processing facility that is prepared with hi-tech processing machines and testing equipment. Also, we sustain hygienic atmosphere to attain pure formulation of these effective chemicals. Controlled by our research & quality experts, they make certain that each chemical is effectively...
