About Us

Rukmani International was established in the year 2011. We are engaged in Supplying, Manufacturing, Exporting, Wholesaling Miniature Paintings, Papier Mache, Picture Frames, Fabric Printing Blocks, Iron Flower Pots, Picture Frames, Fashion Accessories etc. All these beautiful products are made by our talented artists who are trained to enhance the beauty of their craft work. We are working dedicatedly to bring the best of Indian handicrafts to you, we have tried to make a platform for the Indian handicraft men who are known world over for their craftsmanship. We also provide service for export consultancy. We manufacture edible oils in a very clean and hygienic environment. Our latest addition of organic sesame oil is in great demand in various countries. We also have units that can manufacture Indian and western garments as per the client's requirements. So whether you are a businessman dealing in handicrafts ,Garments ,edible oils, or an individual collector, our manufacturing units can cater all your needs. We also provide a platform platform for those artists and craftsmen who once struggle to get their basic necessities in life. We train them to enhance the beauty of their craft work and help them to earn a decent livelihood. With the support of many Indian NGOs we have also tried to cure drug and alcohol addicts and tried to connect them back in the main stream by providing a chance to work with us. We are recognized as one of the reputed export house doing business in...
