**Russel Jeans** is one of the leading **Manufacturers, Suppliers** and **Wholesalers** of **Mens Jacket, Mens Denim Jeans** and **Mens Trousers**.

## About Us

**Russel Jeans** is one of the leading **Manufacturers, Suppliers** and **Wholesalers** of **Mens Jacket, Mens Denim Jeans and Mens Trousers**. These clothes are highly accepted in the market owing to their long-lasting nature, fashionable look, colorfastness, superior finish, light weight, and strongly stitched. All our clothes meet on existing market trends. All these clothes are fabricated using the finest quality textile under the supervision of extremely talented professionals, who have years of business understanding. To keep the quality, we source our textile from highly allied and authenticated retailers of the market that is acknowledged for their names. Apart from, to fabricate these clothes, we have established an advanced fabrication unit that is embedded with sophisticated stitching machine. These machines help us to fabricate these clothes as per existing market trends. Moreover, we assure our customers for safe delivery. To make our customer happy and satisfied, we do make every possible endeavor.

Being customer centric organization, we always strive to obtain customer approval. With the aid of our experts, we are competent to present these clothes as per current market trends. Moreover, we are also competent to fabricate these clothes as per the requirements of our clientele. Furthermore, our right business policy, transparency in business and easy transaction mode has helped us to earn a respected and prominent name in the market....
