Rutva Water And Service

<https://www.indiamart.com/rutvawaterservice/>

We are engaged in manufacturing, supplying and exporting a commendable range of Water Filtration and Treatment System. Also, we are providing installation and maintenance services to our customers.

About Us

Established in the year **2002**, in **Ahmedabad (Gujarat, India)**, we “**Rutva Water & Service**” are an eminent manufacturer, exporter and supplier of a wide range Water Filtration and Treatment System. The range offered by us constitutes Reverse Osmosis Water Plant, Water Softening Plant and Water Treatment Plant. The offered products are manufactured using high quality raw material and advanced technology in adherence to global quality standards. Our products are widely used in pharmaceutical sector, battery water electronic industry and textile / process water applications.

These products are known for their durability, low maintenance, reliable performance, trouble free operations and reliability. In order to ensure the quality of our products at clients' end, our quality controllers perform a series of check against several quality parameters set by the industry. Also, we offer Rutva Water and Services to our clients. Our offered services are highly demanded in the market for their features like timely execution, effectiveness and reliability. We export our products in **Africa** and **Saudi Arab** Countries.

We have established advanced infrastructural facility that is installed with all the latest machinery and equipment. As per the ever changing demands of the market, our ultra-modern infrastructural unit helps us to fulfill the bulk needs of customer within the promised time frame. Our team members have...
