<https://www.indiamart.com/saanglobal/>

We are a professionally managed marketing organization, involved in indenting, stocking & selling of a variety of specialty chemicals. These are procured from leading manufacturers and help in adding value to the on-going process at clients' end

About Us

Established in the year 1998, at Noida, Uttar Pradesh, India, we “**Saan Global, Noida,**” are one of the leading importers, exporters, wholesalers and stockiest of specialty chemicals. These material and intermediates add value to the on-going processes at client's end. The product range offered include specialty polymers, phthalate free plasticiser, masonry water repellents and molecular sieve. Today, our consistent business approach has helped us to emerge as a professionally managed marketing organization working towards meeting the demands of indenting, stocking and selling of a wide range of specialty chemicals. Representing several large & reputed overseas manufacturers and suppliers (Who are world leaders in their fields), our well established branch offices at Mumbai and Chennai as well as extended network across the country also allows us to successfully cater to the requirements of different industries. These include Polyurethane, Rubbers, Petrochemicals, Printing inks, Paints, Wire and Cables, PVC and Construction industry. Further, some of the reputed clients to whom we supply these specialty chemicals include GAIL, SAIL, TATA STEEL and TATA CHEMICALS.
