

Chhawchharia Engineering Private Limited

<https://www.indiamart.com/safetechgroup/>

We are one of the leading manufacturer of material handling products, pre engineered buildings, construction & mining machinery.

About Us

Safetech Group an ISO 9001 : 2008 company came into existence in the year **1987** at Kolkata, West Bengal (India). We are engaged in manufacturing and supplying a comprehensive gamut of **Earth Moving & Material Handling Equipment**. The machines and equipment manufactured by us are highly appreciated for their precise engineering, technologically advanced functionality, optimal performance, durability and heavy duty construction. After in-depth planning, we have invested in highly sophisticated engineering technologies, which help us develop technologically advanced products. **Mr. Saurabh Chhawchharia's (CEO)** astute management and progressive guidance has helped us grow by leaps and bounds in the industry. His prime goals since incorporation has been to create milestones and outperform competitors in terms of quality, customer service and delivery schedules. There is nothing called like impending in our organization, as all the goals are achieved in the right way at the right time. **Mr. Saurabh Chhawchharia's** wealth of experience has helped us in the realization of organization dreams in the best possible manner. Our team of talented and dedicated professionals is instrumental in the growth of the firm. These dynamic professionals work harmoniously with one another to produce desired outputs. We organize skill enhancement programs on a regular basis for our engineering staff to make them learn the ongoing...
