We are one of the leading manufacturers and suppliers engaged in offering various types of Hotel Room Utilities. Manufactured using superior quality raw material, these products are hygienic and safe to use.

About Us

Established in the year **1997**, we, “**Sai Impex**” are one of the most trusted manufacturers and suppliers engaged in offering various types of **Hotel Room Utilities**. These products are light weight, durable and safe to use. To manufacture these products, we use tested raw material. The manufacturing process is carried out under hygienic condition. We have state-of-the-art manufacturing unit, which helps us in undertaking large scale production. Our products are tested on the basis of various parameters before offering to the clients.

We have OEM capability, which is our main USP and the basic tool to attain maximum clients satisfaction. Supported by numerous dealers and agents, we are able to market our products across India. We also take maximum care during the transportation of the products. For safe delivery, tamper proof packaging material is used. We also have option for customized packaging of products.

Our mentor “**Mr. Rajan Patel**” is a man with vast industry experience and rich business ethics. He has helped us in undertaking large projects and acquiring desired results.
