

Sai Prasad Engineers Private Limited

<https://www.indiamart.com/saiprasadengineers/>

Saiprasad Engineers Pvt. Ltd., started in **1996** with Industrial production of Insulating Fabricated Bakelite Materials. we also developed PVC Insulated Wire & Cable for last few years under the brand name of **SAICAB**.

About Us

Established in the year **1996**, we, "**Saiprasad Engineers Pvt. Ltd.**" an **ISO 9001:2008 Certified** company are counted among the foremost manufactures & suppliers of a comprehensive range of **PVC Insulated Wire And Cable, PTFE Wire And Sleeve & Industrial Insulating Material**. The complete range that we offer to our prestigious clients is manufactured using excellent grade raw material, which is sourced from reliable vendors of the industry. Manufactured in compliance with industry defined standards, these products are widely appreciated for their efficient performance, resistance against corrosion & abrasion, high strength, and electrical, thermal and mechanical properties. Designed with utmost precision and perfection, the complete range is widely used for both commercial and non commercial applications in various industries.

To successfully cater to the ever growing demands of the clients, we have developed a sound infrastructure facility for ourselves. Systematically constructed, the unit is comprised of various division including manufacturing, quality testing, warehouse, and others which supports us in carrying out our business activities in an efficient manner. Installed with advanced machines and technologies, our manufacturing unit aids us in offering superior range to our clients. Moreover, the large production capacity of our manufacturing unit helps us in meeting both small and large quantities within given time...
