## About Us

**Spark Plastics** is a sole proprietorship company, incorporated in the year **2006** as a **manufacturer and supplier** of a wide array of Plastic Bottles and HDPE Bottles. Products falling under these categories are **HDPE Plastic Bottles, HDPE Water Bottles, Light Weight HDPE Bottles, Designed HDPE Bottles, HDPE White Bottles, HDPE Bottles, Square Bottles, Applad Bottles, Square Plastic Bottles, Square Shape Bottles, Wide Mouth Bottles, Boston Round Bottles** and many more. All our product range is manufactured using best quality material, which make them highly acceptable in the market. Furthermore, our products are highly durable as well as efficient, as required in the market. We strictly follow the guiding principles of industrial suggested quality parameters, to ensure the flawlessness of our complete product range. We provide tailor made solution to our customers, in order to meet their specific requirements and to make them immensely satisfied. Our ethical business policies, transparent dealings, cost effective solution and prompt deliveries have helped us in acquiring a remarkable position in the industry. Our all business operations are carried out under the astute and careful guidance of our proprietor, **Mrs. Koteshwari B.** who has helped us in establishing a remarkable position in this competitive industry. It is just because of his sharp industrial knowledge and experience about the concerned domain that we are ably meeting...
