<https://www.indiamart.com/saisystems-pune/>

We are an ISO 9001:2008 certified trader and supplier of supreme grade **CCTV Camera, Fire Alarm System, Public Address System, Smart Door, Fire Protection Systems, Aspiration Systems**, etc.

About Us

We obtained our corporate legal identity as “**Sai Systems**” in the year **2007**. Our organization is **ISO 9001:2008** certified **trader** and **supplier** of supreme grade of **Security Cameras, Fire Alarm System, Public Address System, Smart Door, Fire Protection Systems, Aspiration Systems**, etc. These systems are widely demanded for safety purpose in several residential and commercial buildings. Our offered systems are products from trusted vendors in the market who design them products using basic components and modular techniques in adherence to set industry standards. These products are strictly checked before being procured by our procuring agent assuring their quality and easy usages. Further, we offer these products to our valuable clients in different technical specifications as per the exact information laid down by our clients. Our offered products are highly appreciated by our clients for their enormous features like compact size, easy to install, reliability, easy to use, sturdiness, long service life and anticorrosive nature.

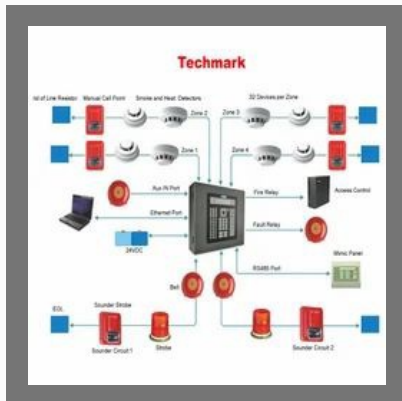

Based out in **Pune (Maharashtra, India)**, we are associated with world-class safety system brand and team of adroit procuring agents since several years. Our procuring agents are merely responsible for our steady growth in this challenging domain of most effective security systems. We continue to led and inspired by the vision of our mentor “**Mr. Nilesh More...**”
