<https://www.indiamart.com/saivijayindustries/>

We are a distinguished manufacturer and supplier of a wide range of Corrugated Boxes and Sheets. The range of boxes offered by us is demanded for its features like tamper resistance, durability, high load bearing capacity and easy folding.

## About Us

Established in the year **2010**, we, “**Sai Vijay Industries**”, are involved in manufacturing and supplying a wide range of **Corrugated Boxes and Sheets**. The range we offer consists of **Customized Corrugated Boxes, Self Locking Corrugated Boxes, Corrugated Packaging Boxes, Printed Corrugated Boxes and Heavy Duty Corrugated Boxes**. In addition to this, we offer **White Corrugated Boxes, Plain Corrugated Boxes, Eco-Friendly Corrugated Boxes, Corrugated Box Sheets and Corrugated Paper Sheets**. These products are manufactured using premium quality raw material, which is obtained from trustworthy vendors of the market. Our corrugated boards are appreciated for their features like puncture resistance, recyclability, lightweight, durability, versatility, eco-friendliness. Further, our corrugated boxes are acknowledged for their high load bearing capacity, tamper resistance and easy folding properties. Owing to these features our products are used in the packaging industry on a large scale. We have established a sound and sophisticated infrastructure unit, wherein all the business operations are carried out in a systematic manner. Our unit is equipped with the latest technology machines and other amenities that are necessary in the manufacturing process. The activities of the entire unit is carried out by our team of experienced and qualified professionals. They put in their hard work along with the expertise and manufacture all...
