About Us

Established in the year **1997**, we, “**Sambhav Exports**” are an eminent manufacturer and supplier of a wide collection of **Quilts, Curtains, Bedsheets, Towles, Blankets and Carpets**. The quilts, curtains, bedsheets, towles, blankets and carpets are manufactured using high grade fabric and employing sophisticated machinery, following the set industrial norms & standards. We also process & export **Rice** that is appreciated for its taste and aroma. Rice is processed under extreme hygienic conditions and is properly packed, so that its properties can be retained. We have a strong backing of industrious professionals who carry out all the business related activities in a streamlined manner. They, with the help of available facilities, help us fulfill varied needs of our quality conscious clients. We adopt various strategies and policies to deliver our products on-time, with safe packaging. Further, we also test our products on various parameters products and ensure that our clients get nothing but the best. Under the guidance of our mentor, '**Mr. Sanjay Jain**', we have been able to achieve commendable position in the market. His detailed knowledge, leadership managerial and skills have enabled us to create a niche for ourselves.
