# Samex Overseas

<https://www.indiamart.com/samexoverseas/>

Manufacturer & exporter of **bulk drugs (Active Pharmaceuticals Ingredients)** for both domestic & international markets. We manufacture & export Pharma raw materials powder to our customers at wide range.

## About Us

Samex Overseas is one of India's well known business houses exporting and supplying Bulk drugs powder (Active Pharma Ingredients), Veterinary bulk drugs powder, bulk drug intermediates, Fine & Specialty chemicals & Neutraceuticals such as vardenafil, Dapoxetine, Benfotiamine, Deflazacort, Stanazolol, Ivermectin, Tadalafil, Methotrxate, Voglibose, Orlistat, Mupirocin , fluorometholone etc., to various customers in the domestic and international markets.

We have our manufacturing facility at Ankleshwar, Gujarat which is considered to be the biggest Industrial zone in India. Some of the products are manufactured jointly by co-operation with some GMP manufacturers in India. We import some of the materials from China and after quality tests deliver to our clients in their desired packing size. And all these make us a supplier of wide array of APIs in India. We ensure supply of products of high quality meeting British and U.S. pharmacopoeial standards or as per the requirements of the customers. We endeavor to follow B.P., U.S.P., E.P. or J.P. Standards to ensure high quality. We export our products manufactured at WHO cGMP manufacturing sites in India. For some of the products we are able to offer DMF, EDMF, CoS.
