## About Us

Samrat Corporation We at Samrat Corporation (formerly known as Samrat Electronics) welcome you gladly for visiting our corporate website.

“Samrat Electronics” which is now known as “Samrat Corporation” had a humble start in the year 1988 and since then Samrat has been the lone star shining brightest on the horizon of Power Tools Industry for the last 25 years. Samrat as the name signifies is one of the leading organizations in the Central INDIA. At Samrat we believe Nothing Is Impossible, except to compromise with our Quality and Work Ethics. Samrat is a strong brand built over the years with strong foundation laid by our values.

The Organization has a number of milestones to its credit since its inception in 1988. The quality of our products is highly acclaimed in the market, since beginning. The successful track record of the unit is due to its stringent quality measures, service and commitment to strict quality products.

In today's globalised world in which competition drives the market, our organization enjoys a strong presence in Chhattisgarh and nearby areas and has made its mark as one of the largest organization on the face of Power Tools Industry. Samrat has over a decade of experience and expertise as Power Tools Trading Sales and Services Organization. We are committed to guiding principles which includes excellence in standards, accessibility, fast assignment turn-around, seamless communications,...
