About Us

Established in the year 1997, we, “**Sangeeta Enterprise, Vadodara**”, are engaged in manufacturing and exporting an array of **Gifts, Festive Items and Handicraft Products**. Crafted with perfection, our collection itself speaks about great aesthetic and functional value. It is widely acclaimed by the clients for magnificent designs, fine detailing, interesting mix of colors and a host of other attributes. Our enterprise is supported by experienced professionals, who excel in their field of specialization. They ensure that the clients are provided with quality products as per their choices and preferences. Our modern infrastructure equipped with all the facilities helps us to achieve the targeted orders of clients while maintaining the timeliness. Further, we systematically store our manufactured products in our spacious warehousing unit with utmost protection. All these factors have enabled us to build everlasting relations with our clients in **North Europe, Australia/NZ and North America**. We are headed under the guidance of our mentor, “**Mr. Narendra Sapra**”, who is the backbone of the enterprise. It is with his support, knowledge and dedication that we have reached to this level of success.
