About Us

Leveraging on our state-of-the-art infrastructure, we have earned specialization in **manufacturing, wholesaling and exporting** a wide assortment of **Polyester Webbing Sling, Polyester Round Sling, Polyester Sling, Ratchet Lashing Belt, SS Shackles, Lashing System, Wear Protection Sleeve, Polyester Webbing, Ratchet Buckle With Hook, Full Body Harnesses** and much more. These are widely known in the market for their significant attributes like high strength, matchless tolerance, compact designs and excellent finishing. Offered in different colours, sizes, designs and lengths, we also offer customization facility according to the customer's specifications to meet their particular requirement.

Our product is fabricated by experienced professionals according to the **EN 12195-2 Standards** for **Cargo Lashings** and **EN 1492-1 standard**. The organization reinforced its commitment towards quality assurance by stringently checking the entire production procedures starting from the quality of materials used and methodologies deployed. These rigorous testing procedures are conducted by our professionals to ensure that the products are flawless and have the inherent properties to deliver optimum performance. The organization strongly emphasizes on the quality of its products to ensure customer satisfaction, among other things. For this purpose, our vigilante quality controllers...
