Sanket Engineering

<https://www.indiamart.com/sanket-engineering/>

We are Manufacturer of **Brass & Copper Electrical Sheet Metal Stampings, MS Brackets, Brass Contact, MS & Aluminium Boxes**, etc. We also supply a variety of **Aluminium Heat sinks** to our customers as per their drawings.

About Us

Established in the year 1990, we have invested in repeated intervals in building our infrastructure over several years for making it equipped with all the latest amenities to achieve complete product fabrication in house. The production unit is loaded with machines for meeting the bulk orders efficiently. Our raw materials are sourced from reliable vendors and they are exceptional in terms of quality and timely delivery.

Inspite of high quality requirements from many of our clients we are successful in meeting their expectations making sure that there is a long lasting business relationship that grows every year.

In the end it is the success of customer's products that ensure our success!
