

Sanstar Microsystems Pvt Ltd

<https://www.indiamart.com/sanstar-microsystems/>

We are one of the leading manufacturer and supplier of products based on Switching technology like SMPS, Battery chargers and isolated DC to DC Converters. Our Products are widely known high-efficiency features.

About Us

We, **Sanstar Microsystems Pvt Ltd**, established by a group of technocrats and positioned ourselves as the prominent manufacturer and supplier of a wide range of **SMPS, Battery chargers and isolated DC to DC Converters** of this domain all over **India**. This range of products are known and acknowledged as the primary and effective solution for the battery and charging solutions. In order to spread our presence throughout the nation, we offer quality products with good customer service to the customers. Our SMPS systems and products are precisely engineered and finds an extensive application in various electronic devices.

Our organization has hired a team of efficient and highly motivated workforce in our organization. This team of professional holds a vast industry experience and in-depth knowledge of the domain. It helped these professionals in managing our well developed infrastructure unit in order to execute all the business operation with sophistication and smoothness. Apart from this, this team is also equipped with all the latest and advanced machinery and tools to check our range of products at each separate stage of production.

Our founder **Mr. Ashok Kale** has been the visionary under, whose in-depth knowledge and skills has helped us in creative a niche in the domain of our organization . It is her ongoing effort to maintain the high level of quality in products. This helped us in gaining the maximum satisfaction of clients.

SMPS POWER SUPPLY

Our Product Range

SSM 2410 Switching Mode Power Supply

Switch Mode Power Supply for Industrial Automation

12V Standard with 110VAC Input for Access Control

SSM24BIS10 Access Control Switching Mode Power Supply

DIN RAIL POWER SUPPLY

Our Product Range

Power Supply for Industrial Automation 24VDC

Din Rail Power Supply 24VDC 10A for Automation Machine Building

SMPS for String Monitoring System 24VDC

SMPS For SCADA Application

POWER SUPPLY

Our Product Range

AC Power Supply SSM2405-AC

SSM2405-DPP SMPS for VCB Panel

Power Supply of 110VDC

Power Supply for Conveyor 24VDC

SMPS CUM BATTERY CHARGER

Our Product Range

SMPS With Battery Backup
for Fire Control Panel

Battery Charger with Power
Supply for Panels

SMPS Cum Battery Charger
with Lock & Key

SMPS with Battery Backup
Includes Lock & Key

BATTERY CHARGERS

Our Product Range

Battery Charger For AMF
Panel SSM12BIS10-BC(S)

Battery Charger for Industrial
Machines

Battery Charger with Potential
Free Contact for AMF Panel

Battery Charger with PFC
Contact For BMS System

SMPS BATTERY CHARGER

Our Product Range

SSM12BIS03-SMPS-BC
SMPS Cum Battery Charger

Battery Charger for AMF
Panels

SSM12BIS03-SMPS-BC
SMPS Cum Battery Charger

BATTERY CHARGER with
PFC

CCTV SMPS

Our Product Range

AC-AC Power Supply

AC Power Supply for PTZ Camera

230VAC-24VAC SMPS

High Efficiency AC Power Supply

SURGE PROTECTORS

Our Product Range

SSM27503-SP Surge Protector 275VAC

Surge Protector for High Voltage Fluctuation

SSM27506-SP Surge Protectors 275VAC

NANO SERIES SMPS

Our Product Range

Nano Power Supply 12VDC
for CCTV Cameras

SSM1202 Nano Series
Switching Mode Power Supply

Switching Mode Power Supply
12V 1A Nano Series
(SSM1201NN)

OTHER PRODUCTS:

SWITCHING MODE POWER
SUPPLY 12VDC 5A

CE Approved DIN Rail SMPS

24VDC Power Supply for
Electrical Panels

SMPS Battery Charger with
the Battery Backup for Fire
Panel

OTHER PRODUCTS:

SMPS Battery Charger for Automation Machine

Genset / DG Set / Diesel Generator Battery Chargers SSM24BIS20(BC)(S)

SMPS Redundant SMPS Series SSM2410RD

Switch Mode Power Supply for Power Backup Solution Data Logger and Weather Station

Factsheet

Year of Establishment	: 1994
Nature of Business	: Exporter and Manufacturer
Total Number of Employees	: 26 to 50 People
