<https://www.indiamart.com/sansuipaints/>

We are an eminent organization engaged in manufacturing and supplying a substantial range of Coatings. The offered products are acknowledged for their incomparable features such as longer shelf life and non-toxicity.

## About Us

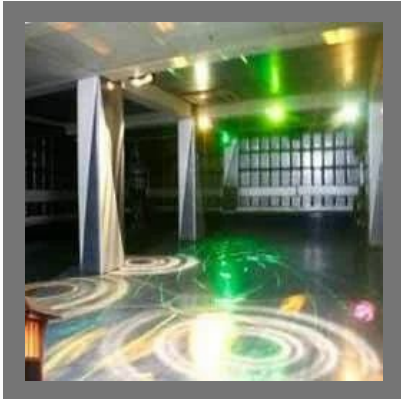

Established in the year, **1996**, we, '**Sansui Paints**', are a widely acknowledged organization engaged in manufacturing and supplying an extensive gamut of **Paintings and Coatings**. Our range includes **Thinner, Plastic Coating, Polyurethane Solution, Plastic Coating** and **Wood Coating**. We are also offering **Strip Coat for Glass Protection, Strip Coat For Granite & Marbles, Strip Coat For Bathtub, Strip Coat for Steel Solvent Base, Insulative Coating** and **Strippable Coating**. The offered products are formulated by making use of use high-grade raw material, procured from the authorized vendors of the industry. Moreover, the offered products are formulated using latest technology in accordance with the well-specified quality parameters of **ISO**. These products are low in **VOC** (volatile organic compounds), which makes these paints and coatings environment-friendly and non-hazardous. Products that we are offering extensively used to cater to the demands of construction, interior decor, automotive, marble, sanitary, shipping, plastic industries and many more. The offered products have gained popularity among our clients owing to their remarkable features such as longer shelf life, resistance against chemicals, abrasion, ultra violet rays, moisture and heat & light stability. We are also instrumental in offering customized solutions, so that we can live up to expectations of our clients. All the credit for...
