We are an ISO 9001: 2008 certified organization engaged in manufacturing a wide range of sugar boiled candies and confectionery products. Our products are delicious and highly appreciated by our clients for longer shelf life.

About Us

Established in the year **1983**, **Saras Home Products** are engaged in manufacturing and supplying a wide range of sugar boiled candies and confectionery products. Our delicious products are widely appreciated for their long shelf life that are available in variety of flavors. Further, our products are processed as per the current standards and norms prescribed by the food industry. All our candies and toffees are prepared using natural and fresh ingredients like milk, cream, fruits and chocolate powders. These are offered in varied shapes, designs and sizes as preferred by our clients. Our candies are available in mouth-watering flavors that ensure cool & fresh breath, digestive ingredients, rich taste and nutrition. Further, our products are prepared adhering to Total Quality Management (TQM), to ensure proper quality and assurance. Our experts ensure that candies are packed carefully using quality packaging material so that their taste can be retained for longer period of time. Additionally we also make sure that our products are packed hygienically to ensure complete customer satisfaction. Under the able guidance of our mentor, **Mr. A.K. Mittal**, we have established a strong position in the market. Our transparent business dealings have helped us in gaining a vast clientele in the country. Additionally, our entire workforce works in cooperation with each other to make a pleasing work environment in the unit and to meet the requirements of our client.
