About Us

We are the known name in the industry and appreciated for providing 100% pure products.

Saraswathi Exports started business in the year **2011** as a sole proprietorship based company involved in **manufacturing, supplying** and **exporting** a wide assortment of **Fresh Vegetable, Organic Pulse, Fresh Onion, Fresh Tomato, Cashew Nut, Fresh Chili, Drumstick Leaf Powder** and **Rice Grain**. Our products are offered by us in safe packaging in order to maintain their longer shelf life and deliver our products safely to various places. The products offer by us is known for their quality, high nutritive values, rich taste, vitamin, purity and 100% natural ingredients. The ingredients used by us during processing the products re sourced by the most reliable merchants of the market. We export 20-40% of our products to China, Japan, UK, US and Middle East. All across the world our products are highly demanded due to their quality and we prepared our products hygienically under the supervision of our quality experts. Moreover, for customers we provide different payment modes and ensure to deliver the products to their destination in speculative time frame. In the progress and growth of our company, our owner **Mr. Muthuvel** has played an important role. He believes in new innovation and creation, so we regularly do research to provide more suitable products to clients. He motivates our team to work hard and give their 100%. We are capable to...
