We are one of the leading manufacturers, suppliers and exporters of a wide range of designer bangles. These bangles are manufactured using lacquer and metal and are encrusted with stunning rhinestones and swarovski crystals.

About Us

Established in the year **1986**, we, **Satguru, Arts & Bangles**, are engaged in the manufacturing, supplying and exporting of an alluring collection of **Designer Bangles**. These bangles are available in a myriad of colors and encrusted with precious lac stones, rhinestones and swarovski crystals. We offer these designer bangles at market leading prices to all our domestic and international clients. Our organization has the support of a strong infrastructure and have two fully functional manufacturing units. These units are well equipped with sophisticated machinery that aids us in fast and effective production of bangles. The exquisite pieces of bangles we offer are as result of our hard working craftsmen and quality checkers. Stringent checks are done on the products before being dispatched in the market. Following a client centric approach, we offer our clients a wide range of bangles to choose from. We also offer them free product samples for ease in selection. Our professionals work meticulously to distribute the product consignments to the domestic and overseas clients based in America and Singapore. They ensure that clients do face any hassles while dealing with us and receive the products on the scheduled time frame. Our organization has grown by leaps and bounds under the able guidance of our mentor, '**Mr. Mahendra Moolchandani**'. He has been associated with the bangle making industry for many years and have acquired...
