Satnam Fabricators

<https://www.indiamart.com/satnamfabricators/>

We are the manufacturers, suppliers & exporters of Air Pollution Control Devices, Water Tanks, & Allied Products. These are appreciated for their long working life, optimum quality, high performance & low maintenance.

About Us

We, “**Satnam Fabricators**”, are counted amongst the prominent manufacturers, suppliers and exporters of Air Pollution Control Devices, Water Tanks, and Allied Products. These are highly acclaimed for their quality attributes like durability, high efficiency, excellent performance and low maintenance. Our state-of-art infrastructure is installed with superior machining and designing facilities, which helps us in efficiently meeting the growing requirements of chemical plants, cement plants, heating and gas plants. Moreover, our team of professionals, possessing vast industry experience, keeps a tab on the client's requirements, and accordingly helps us in meeting the same with utmost precision. Due to our quality approach and wide distribution network, we have been able to cater to the demands of our valuable clients based in **Indian Subcontinent, East Asia, Middle East and South East Asia**. Our mentor, **Mr. Vikramjit Singh**, holds wide industry experience and in-depth knowledge in this domain. He guides us in every sphere of business, right from the procuring the raw material to marketing the products worldwide. His strong acumen and implementation of latest marketing strategies, have helped us in gaining a reputed position in this highly competitive industry.
