We are one of the prominent manufacturers, suppliers and exporters offering beauty care products and ayurvedic skin care products. Our entire range of herbal skin care products is marketed under the brand name 'Sattvik'.

## About Us

**"Sattvik Organics Pvt. Ltd." was born in 2012, but its history has more distant roots.**

It all began ages ago when the timeless beauty secrets based on Ayurveda & Aromatherapy, two of the purest forms of personal care, were formulated and compiled by our ancestors. Our forefathers took it upon themselves to extensively research & pass on this wealth of knowledge to us. They educated us in not just the most ancient and cleanest ingredients and methods, but also, enlightened us with the morals & ethics that we stand by till date.

With self-belief, confidence & faith we started this beauty & wellness company. Our single minded attention on customer well-being is what has driven us through the initial phase of success. Our endeavor has always been, to use pure & clean ingredients from traditional and natural sources like fresh fruits & flowers, herbs, essential oils, butters. Since inception, consumers have embraced Sattvik Organics, and the company continues strong growth & international presence. And now, with added conviction and confidence, we are entering into a new growth phase.

We, the people of Sattvik Organics, believe that a company's name should have an important reason for existence. For us this reason is the goal of making quality & beneficial products for all. We believe, that in order to best ensure the health of our clients, we must use ingredients which...
