We are a trader, distributor and supplier of Large Format Industrial Printing Machines and Cutting Machines. These machines are widely acclaimed by our customers for dimensional accuracy, robust construction and hassle free operations.

## About Us

Established in the year **2006**, at, Kolkata, West Bengal, India, we, “**Satyakrity**” are a leading trader, exporter and supplier of wide range of **Large Format Industrial Printing Machines** and **Cutting Machines**. Our range includes **AXYZ, Graphtec, Bengal, Sable, Jaguar, Wit Color Ultra 2000, Wit Color Ultra 3000, Wit Color Ultra 4000, Wit Color Ultra 9000 (Eco Solvent)** and many more. These machines are procured from the authentic vendors of the market. The machines are designed using the finest quality raw materials and the latest technology at our vendors' end. Our machines are widely used in different industries due to their qualitative features. Since the machines are sourced from the reliable vendors of the market, we make sure that the machines comply to the defined industry standards. To check on this, we have build a separate quality control department at our own premises. Our quality analysts check our procured products under the defined parameters to ensue that defect free range of **Large Format Industrial Printing Machines** and **Cutting Machines** are supplied to our customers. Under the able guidance of our customers, **Mr. Pankaj Tyagi**, we have been able to carve our niche in the industry. His rich industry experience and skilled leadership have helped us to build a huge clientele based across the national as well as international market.
