

# S. B. Electricals And Company

<https://www.indiamart.com/sbelectricalsco/>

We are recognized Trader and Supplier of Cold Shrinkable Termination Kit, Heat Shrinkable Jointing Kit, Cable Jointing Kit, Electric Cable, etc. These are sourced from reputed brands of the market under the guidance of skilled professionals.

## About Us

Incepted in **2005**, we “**S.B. Electricals & Co.**” are engaged in **Distributing, Trading and Supplying** a high quality product array of **Cold Shrinkable Termination Kit, Heat Shrinkable Jointing Kit, Cable Jointing Kit, Electrical Fitting, Straight Joint and Electric Cable**. The manufacturers we are associated with make use of high-grade components and spare parts to develop these products. Owing to the durability, reliability, low maintenance and resistance to corrosion, these products find wide application in various residences and commercial establishments. In addition, we also undertake various electrical services on contract basis. Apart from this, we also render services like **Cable Laying Service, Cable Jointing Service, Electrical Installation Service and Electrical Contractor Service**. We are offering some well-known brands like **Denson, 3M, Compaq International**, etc. to our clients.

We are supported by a sound and spacious warehousing facility, which aids us in the orderly storage of our products. Our entire business activities are executed by a diligent team of professionals, we have recruited. The products we offer are tested by a quality controlling team on various parameters, before the final dispatch. These professionals ensure that every offered product is free from flaws and are also in adherence with set industry standards and norms. Owing to our prompt delivery approach,...
