About Us

Sbr Enterprises itself in the year **2009** as a **sole proprietorship** firm in the industry. We own a vast experience of this industry and serving since a long time period with our product range. With our main nature of business of **wholesale** and additional business of **trade** and **distribution**, we are engaged in serving our clients with qualitative product range. We have started our business activities from our head office located at **Tiruppur, Tamil Nadu (India)**. Our wide range of products comprises of **Bio Gas Plant, Solar Light, Solar Hybrid Inverter, Mini Wind Power System** and many more. we also provide **Photovoltaic Power Project** to our customers. Our offered ranges are easily used at commercial, industrial and personal sectors. Our products are good in designing and provide superior efficiency to the user. They require less maintenance and it is also easy to install them. They are quality approved and sturdy in construction. Different payments gateways are offered by us to our valuable clients and they can choose from them as per their convenience. Our organization, **Sbr Enterprises**, is headed under the strict vigilance of **Mrs. Banu Rekha**, who is the proud **Owner** of the company. She is very well aware with her responsibilities towards the company and its members. We always receive positive feedback from our valuable clients because of her positive attitude. She regularly provides training...
