## About Us

We, **Sea Impex Overseas (P) Ltd.**, established in the year **1993**, is counted amongst the trusted names in manufacturing, supplying, trading, exporting and importing an exclusive range of Pre-Fabricated Ducting, Pre-Insulated Aluminum Ducts and Air Duct. **We also offer HVAC services to our clients.** The company since its inception in 1986 has seen tremendous growth and success under promoter directors, being professionals of the respective segment field of HVAC.

With all our valuable experiences, we have also come up with a HVAC Poly-Urethane Pre Insulated Ducting solution that eliminates most of the problems that were associated with the conventional method of GI ducting for Air-Conditioning. Its strength, extreme lightness and high performance qualities ensures high energy saving and long life, along with keeping a superior hygiene. It is now seen as a revolution in the HVAC sector as the advantages it provides is unparalleled and Sea Impex is now well known in the market as being among the top providers of the product. We do, from Basic Concept Designing, Detailed Engineering, Execution & Erection and Testing & Commissioning. We are also providing consultancy for Ventilation & Air-conditioning Systems to prestigious Projects with clean room parameter such as blood plasma labs, operation theaters, pharmaceutical industries, food processing industries. **We are exporting our products to America & importing from China, Italy &...**
