## About Us

Established in the year of 2004, We “**Senken Engineering India Private Limited**” are **Manufacturer** of an **Lift And Elevator, Elevator Cabin, Maintenance And Installation Services, Passenger Elevators, Home Elevator, Consultancy And Modernization Services, etc.** We direct all our activities to cater the expectations of customers by providing them excellent quality products as per their gratification. Moreover, we follow moral business policies and crystal pure transparency in all our transactions to keep healthy relations with the customers.

Fed by manufacturing facility in KT and TN, we have become a player of choice in space of home and commercial elevators. We understand that the current elevator market is highly polarized with big players at one end and mom & pop shops (only interested in one time business) on the other end. Under the able leadership of Mr. Bansal, a seasoned professional from Industry, our organisation is touching new heights everyday. His production experience of more than two decades is driving force behind the organisation.

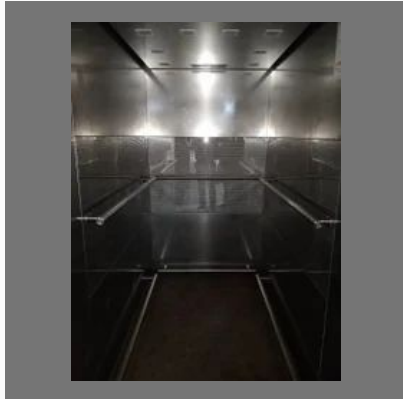

Senken believes in hiring best in the Industry. Our strength lies in our people, their commitment and skills which drives our success. We @ Senken strive only by one goal and that is Customer experience, we are oriented and trained to think out of the box, thus making each one of us contribute to satisfaction of customer and ultimately...
