About Us

Established in the year **1997**, at West Bengal, India, we, “**Servewell Trade & Industries**”, are counted among the top most organizations, engaged in manufacturing different types of Pillows and Water Beds, such as **Neck Pillows In Velvet, Rubberized Water Beds, Air Pillows, Ice Bags** and **Velvet Air Pillows**. Renowned for their features like toughness, reliability, durable finish standards and leak proof, these have become the preferred choice of varied customers spread across the nation. We are backed by a team of highly dexterous and competent professionals, who have immense experience in this industry. Our diligent professionals manufacture the products, using superior quality fabrics like cotton and satin. The material used in manufacturing these products, are procured from the leading vendors of the industry. Offered under our brand name, these are also thoroughly checked on defined parameters so that superior quality range is offered to the esteemed customers. The offered range is custom packed in finest quality packaging material as per the details mentioned by the customers. Owing to our timely delivery and easy payment modes, we have been able to gain the faith and satisfaction of the valued customers. With our years of experience in this industry, we are able to offer these products in different colour combinations, prints, shapes and fabrics. Our organization has maintained a strong suppliers network...
