Manufacturer, supplier and exporter of pharmaceutical formulations, active pharmaceutical ingredients and dental products such as dental products, latex products, electro medicals, plastic disposables and natural products.

## About Us

We, **Setushree Enterprises**, are one of the leading suppliers and exporters of pharmaceutical products such as dental products, latex products, electro medicals, plastic disposables, and natural products. These are procured from organizations, which follow quality management program not just at the processing level but at all the levels. Our products are effective, accurate in composition and widely used in hospitals and nursing homes. We are supported by a team of professionals, which conducts various surveys to comprehend the changing needs of clients and procure products accordingly. Our professionals store the products under requisite temperature so that their efficacy and other essential properties can be maintained for longer period. Expertise of our professionals also allows us to undertake project management services. Further, we have a large distribution network that helps us in supplying our products to clients within stipulated time frame. We are progressing by leaps and bounds under the proficient guidance of our mentor, **Mr. Bhanu Shrivastava**. Owing to his in-depth knowledge and valued industry experience, we have mustered a huge clientele in the national as well as international market.
