We are ISO 9001:2008 certified company and manufacturer and exporter of wooden storage boxes, custom wooden crates, pallets etc. As per ISPM-15 standards and supply all across the world. We offers pest control from termite and rodent.

About Us

We **SGM Packaging**, have been active in this field of manufacturing **wooden packaging material and pallets like lightweight pallets, chemical spec pallets, drum pallets, packaging pallet collars and more** since 5-6 years but the company actually started working as an organisation two years back. Our company is headed by Mr. Rajesh Chouhan, who is an MBA with specialization in materials. His industry expertise and services of experienced professionals assist us in successfully handling the varied packaging and pallet requirements of our clients.

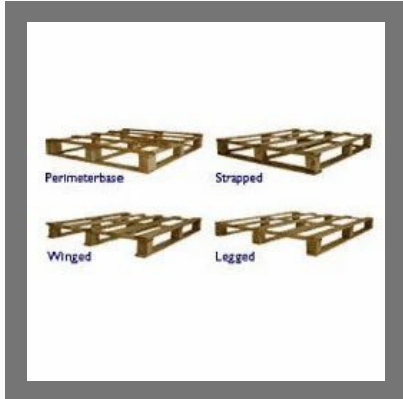

Further we are in the process of acquiring and ISO certification in order to add more credibility to our name. Our in depth knowledge of the involved processes also allows us to provide various export packaging solutions, palletisation, packaging households and industrial solutions along with the manufacturing of wooden packaging material. All the manufacturing processes are conducted while strictly following various international trade guidelines that binds us to work in a more arranged and sophisticated manner.
