SG Pneumatics Private Limited

<https://www.indiamart.com/sgpneumatics/>

We are a renowned distributor and supplier of Compressors & Water Treatment Product. These are known for sturdy construction and durability. We are also engaged in offering Annual Maintenance Contract Services.

About Us

Established in the year **1998** we, **S. G. Pneumatics Pvt. Ltd.** are a trustworthy distributor and supplier of a broad gamut of **Compressors & Water Treatment Products**. Our offered array of products include Rotary Screw Air Compressors, Industrial Air Compressors, Capillary Ultrafiltration Membranes, Water Filtration Membranes, Membrane Housings, Manual Multi Port Valves etc. These products are manufactured by our vendors using premium quality raw material and technically advanced machines. Our products are known for their attributes like trouble-free performance, easy installation, longer service life, low power consumption and smooth operations. **We are looking query from South India only.** We have appointed a team of proficient professionals, which carries out all the business related activities in an orderly manner. Well-versed with the changing trends and industry parameters, our professionals assist us in meeting the variegated demands of our clients. Our sourcing agents conduct extensive market research & surveys and short list the most reputed vendors in the market. Further, we have employed a team of quality controllers, which keeps a tab on the procurement process. These professionals check the quality of sourced products on varied parameters and make sure that these conform with the industry quality standards. We are also supported by a spacious warehousing unit, wherein all the products are stored in bulk quantity. The...
