## About Us

Established in the **year 1985**, **Shah Gems & Jewellery Manufacturing Co.** is among the top-notch manufacturers, suppliers and exporters of the country involved in a wide gamut of jewelry and gemstones. We welcome our clients to the world of fine art that is artistically carved on pieces of pure gold and silver in the form of jewelry. These products are highly demanded and admired in the global market for its beauty, style and elegance. Our products are embellished with more than 100 different colored natural gemstones. The wide assortment of jewelry and gemstones offered by us comprises **Studded Silver Jewellery, Precious Gemstones, Semi Precious Gemstone, Pearl Jewelry 30001-31000, Plain Gold Jewellery, Fashion Jewelry, Jewelry Packing Boxes, Plain Silver Jewellery, Studded Gold Jewellery and Gemstone Beads**. Clients can avail these products in varied sizes, styles and design from us at most reasonable prices. We export and supply our products in both domestic and international market to some leading companies of the industry. We are a witness to tremendous success and growth of the company over the years in this competitive industry with the astute guidance and leadership of our mentor, **Mr. Rajesh Shah**. He possesses vast experience in the field of jewelry and gemstones have consistently helped us to present best products to our clients that not only meet the demands of clients but make them enthralled. His foresightedness coupled with sharp...
