

# Shah Balchand Shantilal

<https://www.indiamart.com/shahbalchand-shantilal-co/>

We are a top-notch organization engaged in importing and buying a wastage of metal scraps. These are widely used in engineering, paper & pulp, steel, railway, transportation and allied sectors.

## About Us

Established in the year **1950**, we “**Shah Balchand Shantilal And Co.**”Gujrat, are widely renowned as a reliable and trusted trader and supplier of metal scraps. These are sourced from reliable vendors and include **Zinc Scrap, Aluminium Scrap, Stainless Steel Scrap, Lead Scrap, Non Ferrous Scrap, Copper Scrap, Brass Scrap and Ferrous Scrap**. State-of-the-art facilities at our premises enable us in storing the procured range in bulk amount and subsequently offering the same to clients within the stipulated time frame. Our wide distribution channel across the country helps us in distributing the range to clients throughout the domestic markets. The professionals at our premises are well aware of the changing market demands and enable us to build a vast customer base. The proficient guidance of our mentor “**Mr. Shanti Lal Shah**” coupled with the meticulous efforts of our professionals enable us to attain a unique niche in the domain. It is his business acumen and man management skills that enable us in achieving constant growth.
