Shah Metal Industries Is A Proprietorship Firm Since 1992. Client Is A Manufacturer Of Machine Parts

About Us

Established in the year **1991**, “**Shah Metal Industries**”, has established a reputation as a noted manufacturer and supplier of a wide array of **Furniture Fitting and Engineering & Electroplating Products**. These products are manufactured utilizing finest raw material and advanced techniques, hence exhibit dimensional accuracy, long lasting performance, corrosion resistance and trouble free functioning. Owing to such features, these products are extensively utilized in rayon, pump and motor manufacturing industries. Additionally, we distribute products of Shah Sales Corporation, which deals with furniture fittings and hardware items in Brass and Steel. We also distribute products including nickel chrome, copper and zinc plating on brass, MS, steel and ABS plastic item of Shreeji Finishers.

Leveraging on our domain specialization, we have been able to carve a remarkable position in the industry. We make sure that we offer products having zero defects. To serve this propose, we manufacture our products while thoroughly following our strict TQM policies and test the entire range on various parameters. We are facilitated by a technologically advanced infrastructure that simplifies production of a qualitative product range in bulk capacity. A well equipped R&D unit helps us introduce innovation by constantly endeavoring in finding out ways to reduce manufacturing cost and improvise on our product line. Owing to our expansive...
