About Us

Shakti Enterprises is famous in the respective domain and has come into existence in the year **1998**. Incorporated as a **partnership** owned organization, our company has dedicated all its endeavors towards **manufacturing, exporting and supplying** a huge assortment of **Road Traffic Signaling, Sign LED Display, Solar Blinker Light, Solar Powered Flasher Light** and **others**. With persevering endeavors, our company has been successful in attaining a distinct status among the highly renowned manufacturers in India. Our products are designed as per the customers' preferences and we do not make any compromise with quality. We serve to the desires of clients passionately and never let them down with any of their expectations. The flawlessness we maintain can be seen easily in the products, which have been offered by us and that are simply matchless. All efforts that we made are just to satisfy customers immensely. In addition to this, we provide custom made solutions to clients, in which clients can specify their orders and our experts develop accordingly. Instead of following familiar track, our always strive and work hard to open new horizons.

Working under the able guidelines of our partner **Mr. M. C. Balani**, we, **Shakti Enterprises** has been able to place a distinct niche in industry. His sound domain insight, leadership qualities, administrative skills and rich business insight have enabled our firm to grow and mark a...
