

Shakti Plastic Engineering Works

<https://www.indiamart.com/shaktiplastic-engineering-works/>

Our organization is engaged in manufacturing and supplying extruder machines. These products are widely appreciated for their corrosion resistance, robust construction and high performance.

About Us

Established in the year **2000**, we, “**Shakti Plastic Engineering Works, Dhudheswer**”, are known as a renowned manufacturer and supplier of **Extruder Machine**. These products are fabricated using premium quality raw material, which is procured from reputed vendors of the industry. We deploy advanced machinery & equipment to manufacture the wide range of products. Our professionals make sure that all the products manufactured by us are in accordance with quality norms and standards. We always adhere to principles of quality policies formed by us, so that our firm can offer a finest range of products to valued customers. Besides, we own a hi-tech manufacturing plant, which is equipped with technologically advanced tools and equipment. It enables us in fabricating the products as per the requirements of the clients. The team of adept professionals appointed by us empowers us in manufacturing a qualitative assembly of the machines. For the convenience of clients, we accept payments from various easy modes to facilitate process of smooth monetary transaction. Under the able guidance of our owner, '**Mr. Amrut K. Panchal**', we have achieved new milestones of success. His qualifications, business skills and constant motivation have enabled us to conquer the trust of clients.
