We are a foremost & leading manufacturer, exporter and supplier of quality assured range of Playing Cards.

## About Us

**Sharda Cards Pvt. Ltd** was established in the year **1941** by Late Mr. Mangaldas Shah, who was a pioneer in the Indian Playing Card Manufacturing Industry for manufacturing playing cards and folded cartons. His son, Mr. Rajendra Shah has helped in attaining immense success and growth throughout these years. We are one of the oldest and largest manufacturers of Playing Cards in India, continuing to hold the foremost position in the Indian Market. We are engaged in manufacturing and supplying a quality assured range of Playing Cards to our customers. Quality, Productivity and Technology are the three important aspects that we critically consider in the growth of our company.

We not only specialize in manufacturing Playing cards but we also have a full-fledged Commercial Printing Setup. With a state of the art pre press department, a range of advanced four colour offset printing machines and a complete in-house post-press setup, we can deliver jobs of the highest quality. Under the able guidance of our Mentor, **Mr. Mangaldas Shah**, we have established a respectable positioning in the international market. Our professional approach and transparent business dealings have helped us in garnering a huge clientele across the globe.
