

# Sharma Sharma & Associates

<https://www.indiamart.com/sharmaandsharmaassociates/>

We are one among the reputed firms engaged in providing expert and professional services to solve the unlawful demand of employee / worker and to save more taxes or pay correct tax.

## About Us

**Sharma And Sharma Associates**, established in the year **2002**, has moulded itself into the finest **service provider** in the **Legal Consultancy** segment. We offer the widest array of services in this field that has helped us earn a vast clientele. The legal consultancy services we offer address several issues that are brought to our notice by our clients who seek our assistance. We are always accessible and offer our expert advice as well as guidance pertaining to legal matters, subsequent to studying the case and ascertaining the necessary details provided by our clients. In our organization, we have extremely talented and skilled legal advisors, who clearly understand and study the problems of our clients and offer relevant solutions to them. Our legal experts examine the cases of our clients in a detailed manner with an intent to provide them with the most appreciated solutions across the law and legal sector. Owing to the support of our professionals, we have been able to develop into a trustworthy organization. We carry out all our business operations under the guidance of our **Manager, Mr. Vivek Sharma**, who is extremely experienced in this particular industry. His vision & mission as well as professional business approach has always been the guiding factors in comprehending and meeting the specific demands of our clients through our services. We, thus, focus on providing assistance and practical guidance to our valued clients...
