Shatabdi Chemicals Private Limited

<https://www.indiamart.com/shatabdichemicals/>

Shatabdi Chemicals (P)Limited has gained success in the market by manufacturing and supplying a wide range of Ethyl Acetate, N Butyl Acetate, Iso Butyl Acetate, N Propyl Acetate, Iso Propyl Acetate, N Butyl Alcohol, etc.

About Us

Shatabdi Chemicals (P) Ltd. was established in 1991 in Ghaziabad, a city in the National Capital Region (NCR) in India, with the objective to manufacture acid-based esters.

The first plant was set-up to manufacture Butyl Acetate through the Fischer-Speier esterification process. Subsequently, Shatabdi expanded to the manufacture of Ethyl Acetate, expanding both volume and product in its portfolio.

Today, Shatabdi is amongst India's prominent players with annual capacity to produce 12,000 MT of Ethyl Acetate, and 6,000 MT of Butyl Acetate in its fully automated facility.

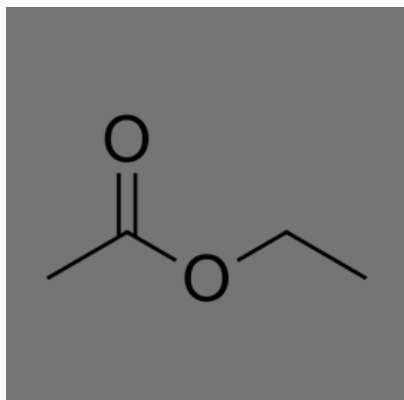

Our high quality standards, consistency and timely delivery have today propelled us as one of the most reliable suppliers to paint, coating, printing ink and pharmaceutical industries.

In our continuous efforts to excel in ester manufacture, Shatabdi has recently acquired an industrial land measuring 225,000 sq. ft. to set up its multi-ester manufacturing complex, **Mega Esters (P) Ltd.**, a subsidiary of Shatabdi Chemicals (P) Ltd.
