<https://www.indiamart.com/shivaelectricalsnoida/>

We are the well-known **Trader** and **Supplier** of a wide range Power Units, Miniature Circuit Breakers, Junction Boxes, Pedestal And Table Fans, etc. These are appreciated for their longer service life and unmatched quality.

About Us

Inaugurated in the year **1998**, at **Noida (Uttar Pradesh, India)**, we, “**Shiva Electricals**” are considered as the notable **trader** and **supplier** of a wide array of **Power Units, Miniature Circuit Breakers, Junction Boxes, Ceiling And Ventilating Fans, Pedestal And Table Fans**, etc. The vendors associated with us always give their best for manufacturing the offered products as per the set industry standards. We assure our clients that the products offered by us are manufactured using high grade raw material that ensures the flawlessness of the offered products. These products are also examined on defined parameters to eliminate all sorts of defects if any.

We have a large warehousing unit that is facilitated with smooth inventory management system. Our warehousing unit is controlled by our skilled team of warehousing personnel for keeping the complete record of the products. We have employed experienced professionals working in our team, who are well- trained in standard warehousing process & specific methods for handling the entire process. Categorized into several sections, we have also equipped our warehouse with latest amenities for storing the offered products according to their specific category. Our offered products are packed using high-quality packaging material for ensuring safe shipment at customers' end. Being a quality-centric organization, we are working with an aim that is to satisfy our customers...
