Shivani International

<https://www.indiamart.com/shivani-international-delhi/>

Shivani International was established in the year 2011. Valuable experience of more than two decades in this field has helped us to achieve a mark of appreciation from clients by manufacturing, exporting and supplying a hygienic and premium range ...

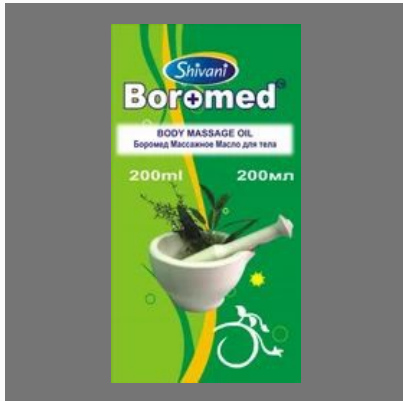

About Us

Shivani International a sole proprietorship organization started its business in **1992**. We have achieved recognition in the market as a reckoned firm engaged in **manufacturing, exporting and supplying** a wide range of **Cosmetic and Ayurvedic (Herbal) Products, food products and solar products** (which are assembled at our premises). Working under the expert and astute guidance of our CEO, **Mr. Anand Mohan**, we have achieved a huge appreciation from the clients. His rich industrial expertise and sharp business insight has enabled us to stand as an energetic entity in this competitive market. We have an advanced and sophisticated infrastructure, where our entire production and processing process is carried out with utmost precision and accuracy. Latest machines and equipment is installed in our production department through which we accomplish the bulk demands of our clients within the prescribed time. Moreover, for easy and smooth business operations, we have parted our infrastructure into varied other departments, which include production department, quality testing department, administrative department, warehousing department, packaging department and many more. Today, we have achieved an enviable position in the market and the credit of this goes to our highly experienced and dexterous professionals. Our experts are well versed with the current market specifications and then make efforts to deliver products...
